Basis for Qualified Opinion

(I) Relevant matters on the basis of which report on financial statement has been qualified:

1. *No accounting policy has been adopted by the company as per AS-1. As per managements reply to AG it has been mentioned that accounting policy shall be prepared in the next financial year.*

2. *Computation of revenue from operation has been done provisionally on the basis of approved tariffs for the F.Y 2012-13. As per the tariff provided, it has been found that there is no rate for energy charges. Tariff has been based only on annual fixed charge of the entity. Tariff should be so as to encourage competition, efficiency, good performance and optimum investments.*

3. *Service tax on reverse charge mechanism as per sec 68(2) of the Finance Act, 1994 has not been paid in case of payments made for legal charges, renting a motor cab, supply of manpower, works contract and security services.*

As per the information provided by the management it is the investment in two companies namely Patratu Energy Limited & Karanpura Energy Limited. But the same transmission line is being given by transmitting company to other private electricty generating company in lieu of transmitting charges. Because of which JUUNL is not able to generate electricity causing huge loss to the revenue.

16. As per information provided no record for valuation of inventory is maintained in the store. As per our present observations it has been observed that there are various scraps in the store for which valuations should have been done.

17. Basis of computation of provisions of leave encashment, pension has not been maintained. It has been considered on the basis of Dr/Cr notes received from JUVNL.

18. No physical verification of inventories has been informed.

19. It has also been observed that expenses related to Banhardi Coal Block have been booked under JUUNL but PEL has been specifically incorporated for Banhardi Coal Block. So, the same should have been booked under PEL.

20. There is restructuring account pending adjustment of Rs 3592.80 lakhs which represents the amount of equity share capital to be allotted to the Jharkhand Urja Vikas Nigam Limited in terms of the Revised transfer scheme dated 20.11.2015 notified by the Government of Jharkhand.
