Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, as applicable.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for Safeguarding the Assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

We have audited the internal financial controls over financial reporting of **JHARKHAND URJA UTPADAN NIGAM LIMITED** ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under The Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these standalone financial statements.

Meaning of Internal Financial Controls Over Financial Reporting with reference to these Standalone Financial Statements

A company's internal financial control over financial reporting with reference to these Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting

and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these Standalone Financial Statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting with reference to these Standalone Financial Statements

Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these Standalone Financial Statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India

Notes 7 (a):

(i) Receivable from JBVNL

Sum of Rs. 1745.74 lacs is recoverable from JBVNL against F.D of JUUNL as notified in transfer scheme.

ii) Receivable from M/s PVUNL(Patratu Vidut Utpadan Nigam Ltd. /MOC(Ministry of Coal against invocation of BG.

An amount of Rs. 1188 Lacs is shown as receivable from PVUNL/MOC, against invocation of bank guarantee by Ministry of Coal out of margin money deposited with Ministry of Coal, Govt. of India for allotment of Banhardih Coal Block. Since the said coal block has already been assigned to M/s PVUNL by JUUNL through legal documents before the invocation of BG take place, hence the amount so invoked against bank guarantee of the Company, is realizable from M/s PVUNL/MOC and thus such bank guarantee is shown as receivable from M/s PVUNL/MOC, under other non-current assets.

iii) Other Claims and Receivables

Other claim and receivable includes 1012.53 lakh receivable from PTPS residual assets and PVUNL against actuarial liability of staff posted at PTPS residual assets & PVUNL .

iv) Receivable From PEL

The company have a subsidiary company namely M/s Patratu Energy Limited from the date of incorporation (06.01.2014) and the company Patratu Energy Limited has been constituted for the purpose of development of Banhardih Coal Block (incorporated on 26th October 2012). Banhardih Coal Block was initially assign to M/s Patratu Energy Limited through Jharkhand State Electricity Board and after de-allocation of the said coal block, Banhardih Coal Block had been assigned to Jharkhand Urja Utpadan Nigam Limited through bidding process during FY 2015-16. After the decision of Government of Jharkhand to take over the entire assets and liabilities of PTPS w.e.f. 06.01.2014 as per the Revised Transfer Scheme, 2015 and subsequent decision to create M/s Patratu Vidyut Utpadan Nigam Limited (A Joint Venture Company of NTPC and Jharkhand Bijli Vitaran Nigam Limited), a decision was taken at competent level to transfer/ assign Banhardih Coal Block in favour of M/s PVUNL through legal documents. On the basis of provisional assessment of expenses by M/s K. Pandeya & Company (Chartered Accountants), by its report dated 13.04.2017, duly approved by BoD of JUUNL in 29th meeting held on 06.09.2018, a sum of Rs. 70.19 Crores has been transferred by M/s PVUNL to JUUNL during 2016-17 and 2017-18. The aforesaid transferred considerations were arrived on the basis of expenses accounted in the book of M/s Patratu Energy Limited and in the book Jharkhand Urja Utpadan Nigam Limited for the purpose of development of Banhardih Coal Block. Booking of expenses in books of two different companies for development of Banhardih Coal Block has mainly been done because subsequent allotment of Banhardih Coal Block was done to JUUNL only. Since transfer consideration for transfer of Banhardih Coal Block from M/s PVUNL has been received by JUUNL, it is important for settlement of the transactions between M/s PVUNL, M/s PEL and JUUNL. Due to the aforesaid reasons, suitable entries for transfer of assets/ liabilities from M/s PEL to JUUNL (appearing in the book of M/s PEL as on 01.04.2020) has been done during FY 2020-21, for subsequent book adjustment with M/s PVUNL and effect of transfer has been taken in the book of JUUNL during FY 2020-21. CWIP value of Rs. 2398 lakhs has been transferred from M/s PEL to JUUNL. Further transfer of other assets and liabilities to extent possible has been done from the book of M/s PEL to JUUNL during FY 2020-21, so that settlement of dues with M/s PVUNL against transfer of Banhardih Coal Block can be done. It is essential in view of the fact that the closure of M/s Patratu Energy Limited is under process. Such transfer of assets/ liability from M/s PEL to JUUNL has finally been adjusted from Transfer Consideration of Rs. 70.19 crores, so received from M/s PVUNL during FY 2016-17 and 2017-18. The remaining balance after transfer of assets and liability of M/s patratu energy limited shows receivable from M/s PEL in companies book of Rs 1512.76 lakhs
